ABOUT

Creative and deadline-driven Senior Graphic Designer with 7+ years of professional experience. Specialized in litigation and forensics business proposals, pitch decks, and client presentations in InDesign and PowerPoint. Also experienced in creating advertisement flyers, brochures, service sheets, and more.

WORK EXPERIENCE

Senior Graphic Designer (Visual Communications)

FTI Consulting (Dec 2019 – Sep 2026)

- Produced **500+ projects annually** that include proposals, qualification/pitch decks, and many more for consultants within the company serving prominent clients.
- Translated complex business information into compelling infographics using **PowerPoint, InDesign, Photoshop, and Illustrator**.
- Collaborated with fellow designers and consultants to communicate clients' business objectives and messages.
- **Managed end-to-end** production of client-facing deliverables under tight deadlines.
- Designed projects focusing on **brand integrity**, creating visually compelling **infographics** to support high-revenue business.
- Built and maintained branded PowerPoint and InDesign templates used across the firm.

Graphic Designer

Oregon State University Memorial Union (Sep 2017 – Jun 2019)

- Worked with a team of designers, both collaboratively and independently, to **promote events and services** hosted by the Memorial Union, University Housing & Dining, Student Affairs, and more.
- Partnered with the marketing team to **create digital, print, and photography** assets for promotions.
- Helped interview and select new designers for the Graphic Design team.
